It is company policy not to store wines on behalf of private individuals. We are always happy to recommend storage facilities, and can arrange storage in customer's own account within a number of professional bonded warehouses throughout the UK.

We undertake proper checking and storage of all wines in our possession. We check the condition of the wine (colour and level of the wine in the bottle) and will act in good faith when purchasing wine. We will not be responsible for the state and condition of the wine in the bottle and also whether the wine corresponds to the qualities which might be expected from its description. At our complete discretion, we will consider refunding the remainder of any case sold which is not drinkable and which is returned to us in the same condition that it was delivered by us including packaging.
